BASINGSTOKE

Our Aim

Our aim at Festival Place is to encourage visitors and staff to choose sustainable travel options wherever possible. By promoting greener ways of getting here, we're reinforcing our commitment to the local community, supporting the wider environment, and reducing our overall impact.

Our Strategy

At Festival Place, we recognise our responsibility to protect and enhance the environment in which we operate. As part of our commitment to a greener future, we're developing a comprehensive package of measures that encourage cleaner, more sustainable travel choices for everyone who visits and works here.

We're focusing on

travel options by

2028!

Festival Place already performs strongly in sustainable travel, with nearly half of FP Centre staff walking or cycling to work.

We have 6 Roam Fast Chargers with plans to increase the quantity of EV chargers by the end of the year.

22% of vehicles that visit the car park are Hybrid or EV, above the national average. We are in the process of upgrading our car park lighting to be more energy efficient including improved controls.

Our Objectives

1

Encourage more visitors and staff to choose greener ways to travel, such as walking, cycling, public transport, or car sharing.

2

Make it easier for everyone to access sustainable transport options when visiting Festival Place.

3

Improve and promote cycling and walking facilities to support active, healthy travel.

4

Raise awareness of local public transport services that connect directly to the town centre.

5

Help reduce congestion and support a cleaner, greener Basingstoke for the whole community.

Festival Place is located in the heart of Basingstoke, right in the town centre, making it easy to reach by a wide variety of travel options. Positioned just off major routes and well connected by public transport, the centre is perfectly placed for visitors from the local area and the wider region.

Train

Basingstoke Train Station is located in the heart of the town centre, just a 5-minute walk from Festival Place with fast and frequent trains from neighbouring towns.
